

LIFE ALIGNMENT

A SYSTEM OF ENERGY HEALING and TRANSFORMATION

To contact us: www.life-alignment.net

Life Alignment is a system of energy balancing or vibrational healing that has been developed by Jeff Levin and taught around the world since 1991. Under the umbrella of Life Alignment, we teach courses in: Body Spin, Body Alignment Technique, Vortex Alignment, Home Alignment and Life Purpose Alignment. This practical and simple system accesses the body like a computer to identify and energetically correct the causes of imbalance in the body. The use of Vortex cards takes this to a deeper level and opens a door to balance homes and businesses through addressing issues like EMFs (electromagnetic frequencies) and geopathic stress.

This practical and simple energy healing technique can be used to support yourself as a form of self care and can be applied to support the care of others. It is a gentle, yet powerful means of enabling one to further his/her self-empowerment and transformation.

Lyons, Colorado

Body Spin Class - March 11 (eve.) and 12-13 (days)

Please Note: Body Spin is a weekend course and is the pre-requisite to all of the other courses taught through Life Alignment.

In this course, the student is taught: Vibrational Healing and how to work with Subtle Energy Fields, Applied Kinesiology, Use of a Pendulum, an Introduction to Anatomy and Physiology, How to Energetically Access and Balance various Body Systems (such as digestive etc.) as well as other Body Points, Pain Balancing, Emotional Release Process, & Use of Vortex Cards.

Body Spin is a gentle but powerful healing method that finds the memories, past traumas, toxins, and suppressed emotions, that are blocking our energy flow. These blockages weaken our health and burden our hearts. This course teaches how to work by priority to support the recipient in accessing and releasing these blockages in a gentle and non invasive manner.
